**Disclaimers:** The categories of *Criminal Records*, *Arrest Records* and *Jail Records* refer to Theft or Fraud related incidents *only*. The category of *Civil Cases* refers only to non-family related cases. Businesses are not required to register with the Better Business Bureau, and many businesses do not. The column, *NA/Not Req* refers to information that is not applicable to the information listed or is not required; for example, that type of business is not licensed by the State of Texas. There may be instances when a business has an "X" under the *No/None* column as well as the *NA/ Not Req* column as both may be true; for example, a business may not be registered with the Better Business Bureau but it is not a requirement that the business be registered with that organization.
